

1) Title: Sweet Journey.

In my journey miracles might have been there;
For my journey I need sweet honey;
Commencing my journey without encumbrance;
Leaving my residence with confidence;
Savings withdrawn for my expenditure;
Paving myself for my adventure;
Willing people join with me;
A thrill appears in each phase;
My journey, endless, never concludes;
My savings, countless, never exhaust;
Endless journey makes your life happy;
Surplus money save you fully.
